By signing below, you are verifying the following:

- The installation experience listed on your application is accurate and represents your direct, onsite participation in the paver installation projects listed.
- You are aware that 8 credits of continuing education must be earned, prior to your expiration date, within each two-year certification term.
- You understand that your certification records might be randomly audited to verify installation experience and continuing education. Upon audit, if you cannot provide documented evidence of installation experience or continuing education, plus references for documented installation experience, you understand that you are subject to suspension and possible revocation of your certification.

Instructions for Completing Page Two

List the following amount of installation experience.

**minimum of 5 projects
and a
minimum of 10,000 sq. ft.**

For example:

- 2 projects totaling 20,000 sq ft **does not** meet the requirement
- 9 projects totaling 8,000 sq ft **does not** meet the requirement
- 5 or more projects totaling 10,000 sq. ft. or more **does** meet requirement

- Installation experience refers to onsite participation in the installation of concrete pavers. Do not include any projects on which work has not yet begun, or for which you were not an on-site participant in the installation.
- Installation experience can be taken from any period of time that a person has been installing. Installers can go back as many years as needed to fulfill the requirement.
- Please note that your installation experience needs to be submitted only once. You will not be required to submit this application again.
- The Record of Completion received for passing the Concrete Paver Installer course does not expire, so if you do not currently meet the minimum installation experience requirements, you can wait until you do meet them, and submit your application at that time.
